The Friends and Newcomers club of the Prattville/Millbrook area is a social club of over 80 ladies, mostly new to the area. Every year, in September every member receives our updated Directory for the year. The Directory has local information, our By-laws, member information and our planned events for the year.

We have an advertising section that we print for local businesses that want to let the Newcomers know about your business and services.

We invite you to put your advertisement in these Directories. It will be in the Directory for 12 months. We also give this Directory to any new member during the year.

This club promotes local businesses and we would love to share your advertising in the Directory. Below are the yearly rates.

Business card or 2" X 5" slot is \$20.00

Half-page or 4" X 5" slot is \$35.00

Full-page 5" X 8" slot is \$50.00

If you are interested, please furnish your card or camera-ready advertising and tell us the size you want. Make the check to 'Friends and Newcomers Club' and mail or email the information to the address above.
